

Residential Conveyancing Costs Information

Our Fixed Fees cover all of the work required to complete the purchase, sale, re-mortgage, transfer of equity and equity release of your property, including dealing with registration at the Land Registry and dealing with the payment of Stamp Duty Land Tax if the property is in England, or Land Transaction Tax if the property you wish to buy is in Wales.

The Fees and costs set out below represent standard typical costs involved in a normal transaction, including acting for any mortgage lender who instructs us. There are sometimes circumstances which may increase costs, for example if a property has more than one registered title or which is unregistered, sales or purchases subject to an existing tenancy, a significant defect in the title of the property and so on. Please contact us for an accurate estimate for your transaction.
